

TOGETHER

There are no definite answers
To the questions of how and why.
There are guesses and some theories,
Only in them can we rely.

Even in prayer there is anxiety
When the future is unknow.
Socialization is at a standstill,
Causing us to feel so all alone.

We must stay faithful and have hope.
Keep our focus on the Lord.
For He will get us through this-
His word keeps us onboard.

Encouragement and empathy-
Great tools for us to use.
We'll get through this together.
With salvation we never lose.
